

The benefit of our “ Network Operation Center ”

Building a NOC facility entails not only a large investment, but adequate knowledge and a great deal of time and energy.

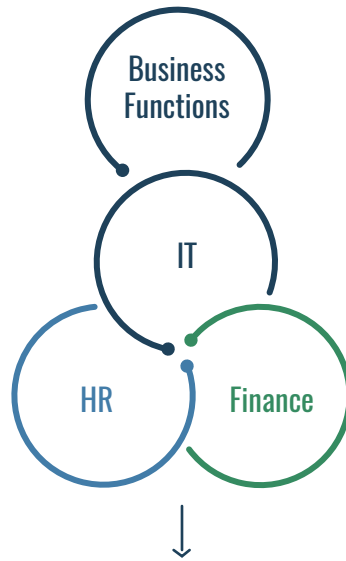

By using our ‘NOC’ you gain:

- The option to pay as your operations grow
- Knowledge and support documentation sharing throughout your company
- Complete transparency on your system’s performance
- Customer satisfaction

Our ‘NOC’ monitors 2 levels of your business:

Operations Model

The Systems & Platforms
